

Privacy Policy

INFORMATION AND CONSENT RELATING TO THE PROCESSING OF PERSONAL DATA OF USERS OF THE TERRIFIC PROJECT – BIOBASED FLAGSHIP PACKAGING SOLUTIONS WEBSITE PURSUANT TO ART. 13 OF REGULATION (EU) 2016/679 ("GDPR")

Premise

The SPRING Cluster "*Sustainable Processes and Resources for Innovation and National Growth*" (hereinafter referred to as "*Spring*") provides this information in relation to the processing of personal data collected by Spring when you visit and browse the <https://terrificproject.eu/website>. This information is provided exclusively for the Terrific Project website and does not apply to online pages or services accessible via hypertext links that may be published on the website. The personal data provided by users will be processed in compliance with the provisions of EU Regulation no. 2016/679 (for short, "GDPR").

Data Controller

The Data Controller is **Spring** (Tax Code 97684680156 and VAT number 12179510966) with registered office in Milan in via Bergognone 34 (20144), in the person of its legal representative *pro tempore* pec: clusterspring@pec.it e-mail: info@clusterspring.it

Legal basis of the processing

The legal basis for the processing of the data indicated in this information is the consent expressed by the data subject pursuant to art. 6 paragraph 1 letter a) GDPR and the fulfilment of the legal obligations to which the Data Controller is subject pursuant to art. 6 para. 1 lit. c) GDPR.

Categories of Data – Browsing Data

The Data Controller processes personal data of a common nature (name, surname, e-mail address; browsing data such as IP address, addresses in URI/URL notation, etc.). The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This is information that is not collected to be associated with identified data subjects, but which by its very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes the IP addresses or domain names of the computers used by users who connect to the site, the URI (*Uniform Resource Identifier*) addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, successful, error, etc.) and other parameters related to the user's operating system and computer environment.

These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing.

Categories of Data – Data provided voluntarily by the user

The optional, explicit and voluntary sending of e-mails to the addresses indicated and/or the compilation of the form on this site involves the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message as highlighted in the privacy policy relating to the "[contacts service](#)"

With the exception of what is specified above for browsing data and in the information pursuant to art. 13 of the GDPR provided in the individual sections of the Biowise Project website, the provision of data for other purposes is optional.

Cookies

Information on cookies can be found in the "[cookie policy](#)" section. At any time, you can modify, revoke or update your consents through the button in the footer of the left corner.

Purpose of the Processing – Processing methods – data retention period

The processing of your data using IT and telematic tools (and/or manual tools) is aimed at the correct use of the website in relation to the promotion and dissemination of the Biowise project, founded by European Union under the Grant Agreement number 2025 -1-PL01 – KA220 – HED - 000353539. In particular, BOWISE is an Erasmus+ project, coordinated by the Warsaw University of Life Sciences, aiming to support the transition to bio-based materials in the wood, textile, and furniture sectors.

The project equips learners with cutting-edge applied biotechnology skills, integrating bioeconomy and circular economy principles into higher education to reduce reliance on fossil resources, support climate adaptation, and foster a new generation of transdisciplinary researchers, innovators, and entrepreneurs.

Your data will be processed by the Data Controller, Spring's staff and collaborators (internal or external, natural or legal persons), expressly authorized by the Data Controller, for service maintenance needs.

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected, pursuant to art. 5 lit. e) GDPR.

Specific security measures are observed to prevent the loss of data, illicit or incorrect use and unauthorized access.

Categories of recipients of Personal Data

The data subject to processing may be communicated, in addition to the subjects referred to in the paragraph "*Purposes of the processing - processing methods*", also to the judicial authority for the need to ascertain unlawful acts.

Rights of the data subjects

In relation to the data subject to the processing referred to in this policy, you are recognized, at any time, the right to:

- Access (art. 15 EU Regulation no. 2016/679) – the right to request and obtain from the Data Controller confirmation that the processing of your data is being carried out and access to the data concerning the data subject (including to know the purpose of the processing, the categories of data processed).
- Rectification (art. 16 EU Regulation no. 2016/679) – allows you to request the Data Controller to correct, modify, integrate your personal data.
- Erasure (art. 17 EU Regulation no. 2016/679) – allows you to obtain the deletion of your data without justified delay (so-called right to be forgotten).
- Restriction (art. 18 EU Regulation no. 2016/679) – the right to obtain a limitation on the processing of the data subject's data, for example, in addition to the exercise of the right referred to in art. 16 for as long as necessary to ascertain the correctness of the data.
- Portability (art. 20 EU Regulation no. 2016/679) – allows the data subject to receive personal data concerning him or her so that he or she can transmit them to another Data Controller.

- **Objection to processing** (art. 21 EU Regulation no. 2016/679) – allows the data subject to object to the processing of personal data concerning him/her.

The exercise of your rights can be exercised by written communication to be sent to the address: Via Bergognone n. 34, Milan (20144) or by e-mail: info@clusterspring.it

Withdrawal of consent

You have the right to withdraw your consent at any time without prejudice to the lawfulness of the processing based on the consent given before the withdrawal.

Complaint

It should be noted that pursuant to art. 77 of EU Regulation no. 2016/679, the S.V. may lodge a complaint with the Guarantor Authority in the event of violation of the current legislation on the protection of personal data.

CONSENT TO THE PROCESSING OF PERSONAL DATA REGULATION (EU) 2016/679

The user having been informed:

- the identity of the data controller.
- the measure, the methods by which the processing takes place.
- the purposes of the processing for which the personal data are intended.
- the right to withdraw consent as indicated in this information prepared pursuant to art. 13 of Regulation (EU) 2016/679.

by placing the flag in the appropriate box "*I have read and accept the terms and conditions*"

STATES

that the user has received and read this information and

AGREES

pursuant to and for the purposes of art. 7 et seq. of Regulation (EU) 2016/679, to the processing of personal data in the manner and within the limits set out in this policy.
